(c) The Town Clerk shall determine whether the petition and affidavits are sufficient as prescribed by law, shall keep a cumulative count of the number of signatures filed with each page of the petition, and within seven (7) business days after receipt of the page bringing the number of valid signatures included in the petition to the number required by Subsection (a) of this section, shall so certify to the Board of Selectmen;

The polls in such referendum shall be open between 6:00 a.m. and 8:00 p.m.

An affirmative action so referred shall take effect upon the conclusion of such referendum unless a majority of those persons voting thereon, such majority being equal to a number which is at least fifteen percent (15%) of the qualified Electors of the Town, as determined from the latest official lists of the Registrars of Voters, shall have voted in favor of overruling such action. In the event a negative action of the Town Meeting is overruled at such special referendum as herein provided, the referendum result shall be construed as approving said action rejected by the Town Meeting. (b) Members. All members of the Police Department, except clerical and other personnel without law enforcement responsibilities, shall have the same powers and duties with respect to the service of criminal process and enforcement of criminal laws as are vested in police officers by the General Statutes.

The Board of Selectmen may appoint, not later than thirty (30) days after the commencement of its term of office, and may remove such number of Constables, not to exceed seven (7), as the Board shall, by resolution, determine. The Constables shall serve for terms of two (2) years. The Constables shall have all the powers and duties, not inconsistent with this Charter, conferred or imposed by the General Statutes, on such officers and such other powers and duties as may be prescribed by the Board of Selectmen.

Chapter IX, Finance and Taxation

Section 901. Fiscal year.

The fiscal year of the Town shall begin on the first day of July and shall end on the thirtieth day of June.

Section 902. Budget preparation.

The First Selectman shall require each department, office and agency of the Town supported wholly or in part by Town funds, or for which a specific Town appropriation is made, including the Board of Education, to set forth, in narrative or in such other form as the First Selectman may prescribe, a program or programs showing services, activities and work accomplished during the current fiscal year and to be accomplished during the ensuing fiscal year.

Section 903. Capital Improvement Program preparation.

(a) In addition to the budget, the First Selectman shall present to the Board of Selectmen a plan of proposed capital projects ("CIP") for the ensuing fiscal year and for the five (5) fiscal years thereafter. Estimates of the costs of such projects shall be submitted by each department, office and agency annually by January fifteenth in the form and manner prescribed by the First Selectman. The Board of Selectmen shall then recommend to the Board of Finance those projects to be undertaken during the ensuing fiscal year and the method of financing same.

(b) Only those projects which appear on the previous year's CIP for the ensuing year may be considered for approval. Notwithstanding the foregoing, upon an affirmative vote by no fewer than four (4) members of the Board of Selectmen projects other than those published in the CIP for the ensuing year may be considered for approval and included in the adopted budget if the need to fund the project is determined to be in the best interest of the Town.

Section 904. Department estimates.

The head of each department, office or agency of the Town as described in Section 902 of this chapter, except the Board of Education, shall, not later than the fifteenth day of January in each year, file with the Director of Finance on forms prescribed and provided by the First Selectman a detailed estimate of the expenditures to be made by such department, office or agency and the revenues, other than tax revenue, to be collected thereby in the ensuing fiscal year and such other

information as may be required by the Board of Selectmen or the First Selectman.

Section 905. Duties of the Director of Finance on the budget.

The Director of Finance shall compile departmental estimates for the annual budget. Not later than the fifteenth day of February in each year the Director of Finance shall, under the direction of the First Selectman, present to the Board of Selectmen the completed budget of all boards, offices and agencies, except the Board of Education, compiled in the manner set forth in Section 907 of this chapter.

Section 906. Duties of the Board of Education on the budget.

Not later than the fifteenth day of March of each year, the Board of Education shall present its budget, compiled in the manner set forth in Section 907 of this chapter, to the Director of Finance, the Board of Finance and the Board of Selectmen.

Section 907. Duties of the Board of Selectmen on the budget.

Not later than the twenty-second day of March in each year the Board of Selectmen shall present to the Board of Finance a budget for all departments, offices or agencies of the Town except the Board of Education consisting of: (a) a budget message outlining the financial policy of the Town government and describing in connection therewith the important features of the budget plan indicating any major changes from the current year in financial policies, expenditures, and revenues together with the reasons for such changes, and containing a clear general summary of its contents; (b) estimates of revenue, presenting in parallel columns the itemized receipts collected in the last completed fiscal year prior to the time of preparing the estimates, total receipts estimated to be collected during the current fiscal year, estimates of the receipts, other than from the property tax, to be collected in the ensuing fiscal year, and an estimate of available surplus; (c) itemized estimates of expenditures, presenting in parallel columns the actual expenditures for each department, office, agency or activity for the last completed fiscal year and for the current fiscal year prior to the time of preparing the estimates, total expenditures as estimated for the current fiscal year, appropriations as proposed by the Board of Selectmen for all items for the ensuing fiscal year, provided that the Selectmen may offer recommendations but may not make any adjustments in the budget submitted by the Board of Education for the ensuing fiscal year, and such other information as may be required by the Board of Finance. The First Selectman shall present reasons for all such proposals and recommendations. In addition to the budget, the First Selectman shall present to the Board of Selectmen a Capital Improvement Plan which conforms to the requirements of Section 903 of this Charter. Pursuant to Section 903, the Board of Selectmen shall then recommend to the Board

of Finance those projects to be undertaken during the ensuing fiscal year and the method of financing the same.

Section 908. Duties of the Board of Finance on the budget.

The Board of Finance shall hold one (1) or more public hearings the first of which shall be held not later than the eighth day of April in each year at which time any Elector or taxpayer shall have an opportunity to be heard regarding appropriations for the ensuing fiscal year. Following receipt of the revenue and expenditure estimates for the ensuing fiscal year, the Board of Finance shall cause sufficient copies of the estimates to be made available for general distribution in the office of the Town Clerk and, at least five (5) days prior to the first of the aforementioned hearings, the Board of Finance shall cause to be published, in a newspaper having general circulation in the Town, a notice of such public hearing and a summary of proposed budget estimates showing anticipated revenues by major sources, and proposed expenditures by function or departments in the same columnar form as prescribed for budget estimates in Section 907 of this chapter, and shall also show the amount to be raised by taxation. The Board of Finance shall, by resolution adopted by an affirmative vote of at least four (4) members after holding the final such public hearing, and at least ten (10) days prior to the Annual Town Meeting approve a budget and file the same with the Town Clerk for submission to the Town Meeting. The budget, as approved by the Board of Finance, shall be published at least five (5) days prior to the Annual Town Meeting on such budget in the same manner and according to the same form as prescribed in Section 907 for purposes of publication prior to the Board of Finance's public hearing on the budget. The resolution of the Board of Finance approving the budget may provide for appropriations by department or function, and such appropriations need not be in greater detail than to indicate the total appropriation for each department or function. Should the Board of Finance fail to approve a budget at least ten (10) days prior to the Annual Town Meeting, the budget as transmitted by the Board of Selectmen in accordance with the provisions of Section 907 of this chapter and the Board of Education in accordance with the provisions of Section 906 of this chapter shall be deemed to have been finally approved by the Board of Finance and the same shall be filed with the Town Clerk for submission to the Town Meeting. For the purposes of Chapters 108 and 111 of the General Statutes, the Board of Finance shall be deemed to be the budget-making authority and shall have all the powers and duties contained in Chapter 108 for the creation of a Reserve Fund for Capital and Nonrecurring Expenditures, and shall have the power to select the independent public accountant as provided in Chapter 111.

Section 909. Duties of the Board of Finance on other financial matters.

In addition to the duties prescribed in Sections 804(c), 908, 911 and 914 of this chapter, the Board of Finance shall have the power, by resolution and only upon the recommendation of a

majority of the entire Board of Selectmen, to make the following appropriations:

- (a) Any appropriation supplemental to those provided in the annual budget which is for a project or program which has been or is expected to be funded wholly or in part by state or federal grants, provided any appropriations pursuant to this subsection may not exceed in any fiscal year a cumulative total of one percent (1%) of the annual budget;
- (b) Any appropriation supplemental to those provided in the annual budget which is for a real estate purchase, whether or not an appropriation for such purchase may also be made pursuant to Subsection (a), provided any appropriations pursuant to this subsection may not exceed in any fiscal year a cumulative total of one percent (1%) of the annual budget;
- (c) Any appropriation supplemental to those provided in the annual budget which is for a purpose other than a real estate purchase, whether or not an appropriation for such purpose may also be made pursuant to Subsection (a), provided any appropriations pursuant to this subsection may not exceed in any fiscal year a cumulative total of one percent (1%) of the annual budget.

The combined total appropriations supplemental to the annual budget which may be made by the Board of Finance without authorization by the Town Meeting pursuant to Section 503 of this Charter is therefore three percent (3%) of the annual budget for the then current fiscal year. The Board of Selectmen shall have the power, by resolution, upon recommendation of the Board of Finance to incur indebtedness, the term of which shall not exceed one (1) year, for any specific purpose in order to finance so much of the supplemental appropriations as are not available from other funds. The Board of Finance shall also have such other powers and duties not inconsistent with this Charter, conferred or imposed by the General Statutes on Town Boards of Finance.

Section 910. Duties of the Annual Town Meeting for Consideration of the Budget.

The Annual Town Meeting for Consideration of the Budget as set forth in Section 502 shall be held on the First Tuesday of May at such hour and such place as the Board of Selectmen shall determine. The annual budget shall become effective only after it has been approved by resolution of the Board of Finance, or deemed to have been approved by the Board in accordance with the provisions of Section 908 of this chapter, and adopted at a referendum following a Town Meeting, called and conducted pursuant to the provisions of Chapter V of this Charter, by a majority vote of those qualified to vote and voting at such referendum. The Board of Finance shall, within five (5) days following the adoption of the budget by the referendum, fix the tax rate in mills which shall be levied on the taxable property in the Town for the ensuing fiscal year. The adoption of the budget by the referendum shall be deemed to constitute the appropriation to each department or when so indicated in the budget a major subdivision thereof and to each office, board, commission and agency separately listed in the budget of the sum estimated to be expended by each such unit respectively, provided that the Board of Selectmen

shall have the authority to transfer funds appropriated to any department among accounts within such department. Any motion to implement the annual budget shall be prepared and introduced by the Board of Finance to the Town Meeting. Any such motion may be presented in the form of multiple questions on the various portions of the annual budget or as a single question on the annual budget as a whole in the discretion of the Board of Finance. The Board of Finance, in cooperation with the First Selectman, shall revise the annual budget, or portion thereof, which has been rejected at the referendum, as the case may be, and present it at a subsequent Town Meeting for discussion and an additional referendum for acceptance. Such subsequent Town Meeting and additional referendum shall be scheduled by the Board of Selectmen. If the budget remains unaccepted after such reconsideration meeting and referendum, the budget adopted for the then current fiscal year shall be deemed to be the temporary budget for the forthcoming fiscal year and expenditures may be made on a month-to-month basis in accordance therewith, until such time as the referendum finally adopts a new budget.

Section 911. Emergency appropriations.

For the purpose of meeting a public emergency threatening the lives, health or property of citizens, emergency appropriations, the total amount of which shall not exceed one percent (1%) of the total annual budget of the Town for the then current fiscal year, may be made upon the recommendation of at least four (4) members of the Board of Selectmen and by an affirmative vote of not fewer than four (4) members of the Board of Finance. In the absence of sufficient general fund resources to meet such appropriations, additional means of financing shall be provided in such manner, consistent with the provisions of the General Statutes and of this Charter, as may be determined by the Board of Finance.

Section 912. Tax bills.

It shall be the duty of the Tax Collector to mail to each taxpayer a tax bill prepared in accordance with the provisions of Sections 12-130 and 12-131 of the General Statutes. Except as otherwise specifically provided in this Charter, the assessment of property for taxation and the collection of taxes shall be carried on in accordance with the provisions of Chapters 203 and 204 of the General Statutes.

Section 913. Expenditures and accounting.

(a) No purchase to be satisfied with the Town funds shall be made by any department, board, commission or officer of the Town including the Board of Education, except through procedures established by the Director of Finance. The Director of Finance shall cause the amount authorized for purchases and contracts for future purchases to be recorded as encumbrances

against the appropriations from which they are to be paid.

(b) No voucher, claim or charge against the Town shall be paid until the same has been audited by the Director of Finance and approved by him for correctness and validity. Payment of all approved claims against Board of Education accounts shall be authorized by the Superintendent of Schools, or his agent, which authorization shall be valid when countersigned by the Director of Finance acting as the Treasurer. Payment of all approved claims against all other Town accounts shall be authorized by the First Selectman which authorization shall be valid when countersigned by the Director of Finance acting as the Treasurer, provided, in the absence or inability to act of the First Selectman, the Deputy First Selectman shall substitute temporarily for the First Selectman.

(c) The Director of Finance shall prescribe the time at which and the manner in which persons receiving money on behalf of the Town shall pay the same to him in his capacity as Town Treasurer.

(d) No expenditure and no commitment to make an expenditure shall be made, caused to be made, or authorized by any officer, agent or agency of the Town, or by any board or commission of the Town unless an appropriation shall have been made covering such expenditure or commitment in accordance with the provisions of this Charter.

(e) Each order drawn upon the Director of Finance shall state the department, commission, board or officer and the appropriation against which it is to be charged.

(f) Upon the request of the Board of Selectmen during the last six (6) months of the fiscal year, the Board of Finance may, by resolution, transfer any unencumbered appropriation, balance or portion thereof from one (1) department, commission, board or office to another; provided, however, that this provision shall not apply to the Board of Education. No transfer shall be made from any appropriations for debt service and other statutory charges.

(g) Appropriations for construction or for other permanent improvements, from whatever source derived, shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned, provided any such project shall be deemed to have been abandoned if three (3) fiscal years shall elapse without any expenditure from or encumbrances of the appropriations therefor. Any portion of an annual appropriation remaining unexpended and unencumbered at the close of the fiscal year shall lapse.

(h) Every payment made in violation of the provisions of this Charter shall be deemed illegal, and every official willfully authorizing or making such payment or taking part therein shall be jointly and severally liable to the Town for the full amount so paid or received.

(i) The Board of Selectmen may adopt, by resolution, such rules and regulations concerning expenditures, and bidding procedures, not inconsistent with the provisions of this section, as it

may from time to time deem necessary and appropriate.

Section 914. Borrowing.

The Town shall have the power to incur indebtedness by issuing its bonds or notes as provided by the General Statutes subject to the limitations thereof and the provisions of this Charter. The issuance of bonds and notes, the term of which is in excess of one (1) year, except tax anticipation notes, shall be authorized by resolution of the Town Meeting in accordance with the provisions of Chapter V of this Charter. The issuance of notes, the term of which does not exceed one (1) year, may be authorized by the Board of Selectmen upon recommendation of the Board of Finance in accordance with Section 909 of this Charter.

Chapter X, Town Employees

Section 1001. General.

The Board of Selectmen, during its first term of office under the provisions of this Charter, shall adopt an ordinance providing for the establishment of position descriptions for all Town employees except employees of the Board of Education. Such ordinance shall include personnel guidelines, job specifications, salary programs and such other provisions as the Selectmen may deem to be appropriate and necessary.

Section 1002. Position description.

Following the action of the Board of Selectmen pursuant to Section 1001 of this chapter, the First Selectman shall cause to have prepared a statement of the duties and responsibilities of each position in the Town service and of the minimum qualifications for appointment to such position. The statement so prepared shall become effective upon the approval by resolution of the Board of Selectmen and may be amended, upon recommendation of the First Selectman, by resolution of the Board. New or additional positions may be created and changes in the duties and responsibilities of existing positions may be made by resolution of the Board of Selectmen upon the recommendation of the First Selectman. A pay plan for all positions in the Town service shall be similarly prepared and adopted and may be amended by resolution of the Board of Selectmen. The First Selectman shall also cause to have prepared a set of personnel rules which shall provide, among other things, for the method of holding competitive examinations, probationary periods of employment, hours of work, vacations, sick leaves and other leaves of absence, removals and such other rules as may be necessary to provide an adequate and systematic procedure for the administration of the personnel affairs of the Town. Such rules and any

amendments thereto shall become effective upon being approved by resolution of the Board of Selectmen and filed by the First Selectman with the Town Clerk. Copies of such rules and any amendments thereto shall be distributed to all Town employees.

Section 1003. Salaries.

The salaries, wages, or other compensation of all officers and all employees of the Town, and such employees of the Board of Education as are recommended by said Board shall be determined by the Board of Selectmen, in conformity with a systematic pay plan for the positions involved as prepared and recommended by the First Selectman, except as otherwise provided by law. The salaries, or other compensation of all elected officials of the Town shall, except as otherwise provided by law, be determined by the Board of Selectmen in accordance with the provisions of this Charter. For the purposes of Section 7-466(b) of the General Statutes, the First Selectman shall have the sole authority to recognize the exclusive bargaining agent for any unit of Town employees.

Section 1004. Official bonds.

All officers and employees as may be required to do so by the Board of Selectmen shall, before entering on their respective official duties, execute to the Town, in the form prescribed by the Selectmen and approved by the Town Attorney, and file with the Town Clerk, a surety company bond in a penal sum to be fixed by the Board of Selectmen, conditioned upon the honest and/or the faithful performance of such official duties. Nothing herein shall be construed to prevent the Board of Selectmen, if it deems it to be in the best interests of the Town, from prescribing a name schedule bond, a schedule position bond or blanket bond, or from prescribing which departments, officers, agencies, boards or commissions shall be covered by a specific type of the aforementioned bonds. Premiums for such bonds shall be paid by the Town.

Section 1005. Retirement of Town employees.

The provisions of the pension plan for Town employees in force on the effective date of this Charter shall remain in full force and effect until such time as said plan is amended, by ordinance.

Chapter XI, Transition and Miscellaneous Provisions

Section 1101. Transfer of powers.

Effective as of the first Monday of December, 2007, all commissions, boards, departments or offices existing prior to the adoption of this Charter are abolished or superseded by this Charter as the case may be. The powers which are conferred, the duties which are imposed upon and the terms of office established for any commission, board, department or office under the General Statutes, or any ordinance or regulation, in force at the time this Charter shall take effect, if such commission, board, department or office is abolished by this Charter or superseded by the creation herein of a new term of office for any commission, board or office to which are granted similar powers and jurisdiction, shall be thereafter exercised and discharged by the commission, board, department or office upon which are imposed corresponding or like functions, powers and duties under the provisions of this Charter. Commissions, boards, departments or offices existing prior to the adoption date of this Charter whether elective or appointive shall continue in the performance of their duties until the first Monday of December, 2007 or until provisions shall have been made for the discontinuance of such commissions, boards, departments or offices and the performance of their duties by other commissions, boards, departments or offices created under this charter and until the Town Clerk shall have notified the members of such commissions, boards, departments or offices as are abolished by this Charter that their successors have qualified.

Section 1102. Present employees to retain positions.

All employees of the Town on the effective date of this Charter, whose positions are not abolished by the provisions of this Charter, shall retain such positions pending action by the Board of Selectmen or the appropriate officer charged by this Charter with powers of appointment and removal. Any provision of law in force at the time this Charter shall take effect, and not inconsistent with the provisions of this Charter, in relation to personnel, appointments, ranks, grades, tenure of office, promotions, removals, pension and retirement rights, civil rights, or any other rights or privileges of employees of the Town or any office, department or agency thereof, shall continue to be in effect, until or unless amended or repealed in accordance with the provisions of this Charter.

Section 1103. Conflicts of interest.

It is hereby declared to be the policy of the Town that any elected or appointed officer, any member of any board or commission, or any employee of the Town who has a financial interest direct or indirect, in any contract, transaction or decision of any officer or agent of the Town or any board or commission, shall disclose that interest to the Board of Selectmen which shall

record such disclosure upon the official record of its meetings. Such disclosure of a financial interest, direct or indirect, in any contract, transaction or decision of any officer or agent of the Town or of any board or commission shall disqualify such elected or appointed official or such member of a board or commission or such Town employee from participation in the awarding, assignment or discussion of said contract, transaction or decision. Violation by any such official, board or commission member or employee of the provisions of this section shall be grounds for his removal.

Section 1104. Transfer of records and property.

All records, property, and equipment whatsoever of any commission, board, department or office or part thereof, all the powers and duties of which are assigned to any other commission, board, department or office by this Charter, shall be transferred and delivered intact forthwith to the commission, board, department or office to which such powers and duties are so assigned. If part of the powers and duties of any commission, board, department or office are by this Charter assigned to another commission, board, department, or office, all records, property and equipment relating exclusively thereto shall be transferred and delivered intact forthwith to the commission, board, department or office to which such powers and duties are so assigned.

Section 1105. Continuation of appropriations and Town funds.

All appropriations approved and in force, and all funds, including special or reserve funds in the name of the Town, at the time of the adoption of this Charter, shall remain in full force and effect unless and until the same shall be amended, transferred or abolished by the Board of Finance under the provisions of this Charter.

Section 1106. Legal proceedings.

No action or proceeding, civil or criminal, pending on the effective date of this Charter brought by or against the Town or any commission, board, department or office thereof, shall be affected or abated by the adoption of this Charter or by anything herein contained; but all such actions or proceedings may be continued notwithstanding that functions, powers and duties of any commission, board, department or officer which shall have been a party thereto may, by or under this Charter, be assigned or transferred to another commission, board, department or the officer to which such functions, powers and duties have been assigned or transferred by or under this Charter.

Section 1107. Existing laws and ordinances.

All general laws of the State of Connecticut applicable to the Town and all ordinances of the Town shall continue in full force and effect, except insofar as they are inconsistent with the provisions of this Charter. The provisions of all Special Acts of the General Assembly relating to the Town of Simsbury not inconsistent with the provisions of this Charter are hereby retained.

Section 1108. Review and amendment of Charter.

The Board of Selectmen shall review the several provisions of this Charter from time to time as it deems such review to be in the best interest of the Town, but not less often than once every five (5) years, such review to be published as part of the annual Town report. The amendment of this Charter may be initiated (a) by a two-thirds vote of the entire Board of Selectmen or (b) by a petition signed by not less than ten percent (10%) of the Electors of the Town, as determined by the last completed registry list of the Town, such initiation in either instance to result in the appointment by the Board of Selectmen of a Charter Revision Commission, which shall consider any proposed amendments to the existing Charter. Such proposed amendments shall not become effective until and unless they shall have been approved by a majority of the Town Electors voting thereon at a regular election or, if approved at a special election, by a majority equal to at least fifteen percent (15%) of the Electors of the Town as determined by the last completed registry list of the Town. The provisions of Chapter 99 of the General Statutes as may now or hereafter apply to the manner of amending the Charter shall prevail in the event of any conflict with the provisions of this section of the Charter.

Section 1109. Saving clause.

If any section or part of any section of this Charter shall be held invalid by a court of competent jurisdiction, such holding shall not affect the remainder of this Charter nor the context in which the section or part thereof so held invalid may appear, except to the extent that an entire section or part of a section may be inseparably connected in meaning and effect with the section or part of the section to which such ruling shall directly apply.

Section 1110. Usage.

- (a) When the context so requires, the masculine gender shall include the feminine, and the singular shall include the plural, and the plural the singular; and
- (b) Unless otherwise indicated, all references to the Connecticut General Statutes in this Charter

are to the provisions of the General Statutes in effect on the date of the adoption of this Charter. However, in the event that those provisions in effect on the date of the adoption of this Charter are subsequently amended, revised, and/or recodified by the Connecticut State Legislature, all references to such provisions shall be deemed to be to the provision as subsequently amended, revised and/or recodified. The sections of the Connecticut General Statutes referred to in this Charter shall be abbreviated as C.G.S. Sections of the statutes shall be designated "§" for the singular and "§§" for the plural.

Section 1111. Effective date.

Except as set forth in Section 1101, this Charter, as revised, shall become effective on January 1, 2007, if approved by a majority of the Town Electors voting hereon at a regular or a special election as determined by the Board of Selectmen and in accordance with the provisions of Chapter 99 of the General Statutes.
